Claire, Tempest, and Leona: triplets blessed—or cursed—each with a special extra sense that they would deny, given the chance . . .

Claire, the youngest, finds solitude and escape in rural Montana. The descendant of an ancient Celtic seer, she struggles to conceal her unsettling power to sense what others feel—the good and the evil, the pain and the joy.

When her peace is shattered by her new neighbor, Neil Olafson, Claire's shielded emotions start simmering. He's the opposite of everything she's ever wanted, a man who ignites her latent sensuality. And while her eerie powers have frightened others away, Neil isn't running. And when Claire comes face-to-face with danger, he becomes her protector—as well as her lover.

Now, Claire and Neil must confront the past and save the life of a young innocent. But there is a killer lurking in the background who wants them both dead before they can unravel his dirty secrets. And he's been very busy . . .
