Messianic Judaism Class, Teacher Book Rabbi Jim Appel, Rabbi Jonathan Bernis, Rabbi David Levine
You will find this introductory course teacher book easy to teach from. The Scriptures are given in full for you, usually in the Complete Jewish Bible version. The answers are also given to each question along with occasional teacher's instructions and background information. The Student Books have only the Scripture references and no answers. May your classes be as lively and heartwarming as Rabbi Jim's have been over the years. He teaches in an exciting way, letting the students discover the answers in their own Bibles. If they can't see the answer right there in front of them due to past indoctrination, Rabbi Jim gently points it out to them. When they finally see it, gasping in amazement is often their response. May your students have many such "Aha!" moments and may their attitudes toward Yeshua and His Word be deepened forever.
