**Myths, Illusions, and Peace: Finding a New Direction for America in the Middle East** Dennis Ross, David Makovsky

**"A trenchant and often pugnacious demolition of the numerous misconceptions about strategic thinking on the Middle East"**

**-*The New York Times***

Now updated with a new chapter on the current climate, *Myths, Illusions, and Peace* addresses why the United States has consistently failed to achieve its strategic goals in the Middle East. According to Dennis Ross-special advisor to President Obama and senior director at the National Security Council for that region-and policy analyst David Makovsky, it is because we have repeatedly fallen prey to dangerous myths about this part of the world-myths with roots that reach back decades yet persist today. Clearly articulated and accessible, *Myths, Illusions, and Peace* captures the reality of the problems in the Middle East like no book has before. It presents a concise and far-reaching set of principles that will help America set an effective course of action in the region, and in so doing secure a safer future for all Americans.
