Alice Weaver:

As a scholar exactly feel bored to reading. If their teacher asked them to go to the library or make summary for some book, they are complained. Just small students that has reading's heart and soul or real their passion. They just do what the teacher want, like asked to go to the library. They go to generally there but nothing reading really. Any students feel that reading is not important, boring and also can't see colorful photographs on there. Yeah, it is to get complicated. Book is very important for you. As we know that on this

age, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. Therefore this Taiwan Education at the Crossroad: When Globalization Meets Localization (International and Development Education) can make you experience more interested to read.
