**The Widowing of Mrs. Holroyd: A Drama in Three Acts (Pine Street Books) D. H. Lawrence**

*The Widowing of Mrs. Holroyd*, written immediately after *Sons and Lovers*, is one of D. H. Lawrence's most significant early works. The play, Lawrence's first, is the alter ego of the story "Odour of Chrysanthemums" and, like the short story, deals with a catastrophe in the lives of a coal mining family. Drawing upon the intensity of events that unfold in the miner's kitchen, the play explores a marriage bowed under the weight of a husband's drinking and infidelity and peers into the strange, burgeoning relationship between the neglected wife, Mrs. Holroyd, and the young electrician in whom she seeks emotional refuge. First published in 1914, *The Widowing of Mrs. Holroyd* is a bare tracing of the ways in which a marriage has gone wrong.
