Valiant (Fiction - Middle Grade) Sarah McGuire

A debut fairy tale reimagining featuring a strong female character and a daring quest just right for fans of Shannon Hale, Jessica Day George, and Gail Carson Levine.

Saville hates sewing. How can she not when her father, the Tailor, loves his bolts of velvet and silk far more than he's ever loved her? Yet, when he is struck ill shortly after they arrive in the city of Reggen, Saville must don boy's clothes in the hopes of gaining a commission from the king to keep them fed. The kingdom is soon on edge when stories spread of an army of giants led by a man who cannot be killed. But giants are just stories, and no man is immortal.

And then the giants do come to the city gates, two larger-than-life scouts whom Saville cunningly tricks into leaving. The Tailor of Reggen is the hero of the kingdom, the king promises his sister's hand in marriage, and by the time Saville reaches the palace doors, it is widely known that the Tailor single-handedly killed the giants. When her secret—that she's a girl—is quickly discovered by Lord Galen Verras, the king's cousin, Saville's swept into the twists and turns of court politics.

The deathless man is very real, and he will use his giant army to ensure he is given the throne freely or by force. Now, only a tailor girl with courage and cunning can see beyond the tales to discover the truth and save the kingdom again.

Valiant is a rich reimagining of "The Brave Little Tailor," artfully crafting a story of understanding, identity, and fighting to protect those you love most.

Donna Robinson:

Many people spending their time by playing outside with friends, fun activity having family or just watching TV all day every day. You can have new activity to invest your whole day by looking at a book. Ugh, think reading a book can actually hard because you have to bring the book everywhere? It ok you can have the e-book, delivering everywhere you want in your Touch screen phone. Like Valiant (Fiction - Middle Grade) which is keeping the e-book version. So , try out this book? Let's see.

Nancy Soto:

As a student exactly feel bored to be able to reading. If their teacher inquired them to go to the library as well as to make summary for some reserve, they are complained. Just very little students that has reading's heart and soul or real their hobby. They just do what the teacher want, like asked to go to the library. They go to generally there but nothing reading seriously. Any students feel that looking at is not important, boring along with can't see colorful images on there. Yeah, it is to get complicated. Book is very important for you. As we know that on this period, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. So , this Valiant (Fiction - Middle Grade) can make you experience more interested to read.
