Angels, Guides, and Ghosts Sylvia Browne

On this unique program, Sylvia dispels the popular myths about angels, spirit guides, and ghosts. With her trademark candor, she explains that you can communicate with your angels and guides, and that they're here to help you along your journey. In addition, she covers topics from forgiveness to reincarnation, shares some of her personal experiences with these celestial beings, and provides helpful tips on effective prayer.

Sylvia also imparts methods to protect yourself from a psychic attack and determine whether your loved ones are sending you messages from the Other Side. Then, using a healing meditation, she shows you how you can unite with your angels and spirit guides whenever you choose to do so. In closing, Sylvia uses her abilities to answer audience questions and shed light on what really happens when we leave this plane of existence.
