DK Braille: On the Move DK

Discover the exciting world of transportation in *DK Braille: On the Move*. Take fun quizzes and learn amazing facts about trucks, trains, planes, and more through high-impact and embossed images in this special book designed specifically for blind or visually impaired readers.

From submarines deep in the ocean to hot-air balloons in the sky, *DK Braille: On the Move* covers nearly all forms of things that go and takes readers on their own exciting journey. The pages combine braille, large print, and high-contrast photography with clear and predictive layouts. Annotations offer instant information for readers, and the embossed images make new concepts as clear as possible for the tactile reader.

DK Braille: On the Move is a unique book that delivers engaging information on the world of transportation right to curious young minds.

A flagship series of high-quality, custom books with braille and tactile images for blind and partially sighted children, or sighted children with blind parents. DK Braille books combine uncontracted Unified English Braille and large type with high-contrast colors, embossed images, and tactile cutout shapes for children to feel with their fingers. The combination of text alongside the braille enables sighted parents to share the reading experience with visually impaired children, and for sighted children to share with their visually impaired parents.

From reader reviews:

Nancy Sanchez:

Book is to be different for every single grade. Book for children until finally adult are different content. We all know that that book is very important for all of us. The book DK Braille: On the Move was making you to know about other knowledge and of course you can take more information. It is rather advantages for you. The e-book DK Braille: On the Move is not only giving you much more new information but also being your friend when you really feel bored. You can spend your own personal spend time to read your publication. Try to make relationship with all the book DK Braille: On the Move. You never experience lose out for everything in case you read some books.

Stephan Stephens:

Are you kind of busy person, only have 10 or maybe 15 minute in your day time to upgrading your mind talent or thinking skill perhaps analytical thinking? Then you are receiving problem with the book compared to can satisfy your limited time to read it because pretty much everything time you only find e-book that need more time to be read. DK Braille: On the Move can be your answer mainly because it can be read by anyone who have those short time problems.

James Sanchez:

As a pupil exactly feel bored to help reading. If their teacher inquired them to go to the library or to make summary for some book, they are complained. Just little students that has reading's internal or real their leisure activity. They just do what the professor want, like asked to go to the library. They go to presently there but nothing reading significantly. Any students feel that reading through is not important, boring as well as can't see colorful photos on there. Yeah, it is to get complicated. Book is very important for yourself. As we know that on this period of time, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. Therefore this DK Braille: On the Move can make you experience more interested to read.

Trisha McClain:

Publication is one of source of understanding. We can add our information from it. Not only for students but additionally native or citizen have to have book to know the upgrade information of year for you to year. As we know those publications have many advantages. Beside many of us add our knowledge, can also bring us to around the world. From the book DK Braille: On the Move we can consider more advantage. Don't you to be creative people? To become creative person must like to read a book. Only choose the best book that suited with your aim. Don't always be doubt to change your life at this book DK Braille: On the Move. You can more pleasing than now.
