The beauty of KEY TO YOURSELF is seen through Venice Bloodworth's insightful approach in how she combines contemporary psychology with the very same principles taught thousands of years ago by Jesus of Nazareth. In searching for her own spiritual enlightenment, she found the root of true happiness based on a "Spiritual Psychology" that unlocked the power of the mind to THINK herself to wellness, prosperity, and peace of mind. Although the world has changed drastically over time, people are still confronted with the same fears and inner conflicts and KEY TO YOURSELF meets these challenges with an ageless wisdom that endures for generations.
