The Society Jodie Andrefski

Welcome to Trinity Academy's best-kept secret.

The Society.

You've been handpicked by the elite of the elite to become a member. But first you'll have to prove your worth by making it through Hell Week.

Do you have what it takes?

It's time to find out.

Samantha Evans knows she'd never get an invite to rush the Society—not after her dad went to jail for insider trading. But after years of relentless bullying at the hands of the Society's queen bee, Jessica, she's ready to take down Jessica *and* the Society one peg at a time from the inside out.

All it'll take is a bit of computer hacking, a few fake invitations, some eager rushees...and Sam will get her revenge.

Let the games begin.

From reader reviews:

Colin Wegner:

Here thing why this particular The Society are different and trusted to be yours. First of all studying a book is good but it depends in the content than it which is the content is as yummy as food or not. The Society giving you information deeper as different ways, you can find any guide out there but there is no book that similar with The Society. It gives you thrill studying journey, its open up your eyes about the thing that happened in the world which is perhaps can be happened around you. It is possible to bring everywhere like in recreation area, café, or even in your technique home by train. When you are having difficulties in bringing the printed book maybe the form of The Society in e-book can be your choice.

Melinda Brown:

Do you considered one of people who can't read satisfying if the sentence chained inside the straightway, hold on guys this particular aren't like that. This The Society book is readable through you who hate the straight word style. You will find the data here are arrange for enjoyable examining experience without leaving actually decrease the knowledge that want to provide to you. The writer connected with The Society content conveys objective easily to understand by many individuals. The printed and e-book are not different in the written content but it just different such as it. So , do you even now thinking The Society is not loveable to be your top record reading book?

Andrew Hulbert:

The reason? Because this The Society is an unordinary book that the inside of the e-book waiting for you to snap this but latter it will distress you with the secret this inside. Reading this book alongside it was fantastic author who else write the book in such incredible way makes the content within easier to understand, entertaining way but still convey the meaning totally. So , it is good for you because of not hesitating having this anymore or you going to regret it. This amazing book will give you a lot of rewards than the other book possess such as help improving your talent and your critical thinking method. So , still want to hesitate having that book? If I have been you I will go to the reserve store hurriedly.

Jean Taylor:

Many people said that they feel bored stiff when they reading a e-book. They are directly felt this when they get a half parts of the book. You can choose the particular book The Society to make your current reading is interesting. Your own skill of reading expertise is developing when you including reading. Try to choose basic book to make you enjoy to learn it and mingle the sensation about book and reading through especially. It is to be 1st opinion for you to like to start a book and study it. Beside that the publication The Society can to be a newly purchased friend when you're feel alone and confuse with what must you're doing of that time.
