Working together, world-famous composer and musician Philip Aaberg, and author Ellen Baumler created an audio version of Beyond Spirit Tailings. Awash in the luxuriant sounds of Aaberg's music, Often, the history we learn from textbooks seems impersonal and leaves us out of its inexorable and compelling flow. However, we all know that a sound or a smell can trigger vivid memories. Through her ghost stories, Ellen presents Montana history in a new and popular way. Ellen and Philip's spooky collaboration will evoke those places and images that make our imagination such a wonderful (and sometimes unearthly) destination.
