Iron born and iron bred. Trust not iron, it will see you dead.

Rowan Blake could really use a magic wand to keep her struggling art gallery afloat. But the faerie key she stumbles across is far from a lucky charm. It's a magnet for danger, and by touching it she's unwittingly put herself in the middle of a war between the forces of light and dark. And in the arms of its rightful owner, Prince Daire.

While searching for his brother, Daire finds himself trapped in the Iron World with a mere mortal woman who ignites his passion like no other. Each stolen kiss deepens their attraction and sends him spiraling closer and closer to the edge of his inherent dark desires. Desires that act as a homing beacon for the Dark Sidhe, who are intent on forcing him to fight on their side.

The longer he lingers in her arms—and in her bed—the closer his enemies get to her door. And the greater the risk that the gateway to the Faerie Realm will shift, destroying not only his power to protect her, but his very life.
