A Cultural History of the Nurse's Uniform Christina Bates

This first and only in-depth analysis of the attire worn by the largest workforce in the health care system explores the role of the nurse's uniform in creating nursing identity for over a hundred years.

The introduction of the nurse's uniform in the late nineteenth century was part of a strategy to legitimize North America's first nursing schools. At first varied and experimental in design, by the early 20th century the uniform was drawing on elements of fashionable, scientific, military and ecclesiastical wear, and had standardized into a blue or pink dress worn with stiffly starched white cap, bib, and apron. This remarkable outfit lasted until the 1970s, when educational and societal changes brought about its demise, and practical scrubs became the most common nursing apparel. Seen through the lens of age, gender, class and race, this book shows how the uniform was an active participant in the changing culture of nursing work and thought.

Richly illustrated with images of actual garments and over 150 compelling period photographs, cartoons and drawings, the book explore the uniform within the contexts of hospital, community, nursing school, and residence. *A Cultural History of the Nurse's Uniform* will appeal to nurses, historians and scholars of dress.

Is it a person who having spare time subsequently spend it whole day through watching television programs or just telling lies on the bed? Do you need something totally new? This A Cultural History of the Nurse's Uniform can be the answer, oh how comes? The new book you know. You are so out of date, spending your spare time by reading in this brand-new era is common not a geek activity. So what these ebooks have than the others?

Bertram Staten:

As a student exactly feel bored in order to reading. If their teacher asked them to go to the library or make summary for some e-book, they are complained. Just tiny students that has reading's heart and soul or real their pastime. They just do what the instructor want, like asked to go to the library. They go to presently there but nothing reading seriously. Any students feel that reading is not important, boring along with can't see colorful images on there. Yeah, it is to get complicated. Book is very important for you. As we know that on this era, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. Therefore this A Cultural History of the Nurse's Uniform can make you feel more interested to read.
