Casanova: Acedia #5 Andrew MacLean

The world-melting CASANOVA returns. Casanova Quinn doesn't remember who he is or how he got here- the only thing he knows is an awful lot of people want him dead and the world might be ending. Psychedelic, sexy, and surreal science-fiction the way only comics can do it. Also apparently it's been ten years since CASANOVA began publishing. So we have that going for us, which is nice.
