This book contains the truth about dating that opposes to God's that the Church has embraced. As a result we're reaping the same destructive results as they. It exposes the dangers of creating situations where people could fall into sin, creating emotional, mental, spiritual and physical bonding with the wrong person, and how we're sending a confusing message to the world as they see our hypocrisy in what we preach and practice. I also share my own testimony and how God brought my husband and I together supernaturally without our efforts to make it happen, realizing that these are God's principles and standards for marriage, which can also be applied in all areas of our lives. Finally I share the only key to one's happiness deep intimacy with Jesus, not marriage.
