When it comes to God, there are believers and there are skeptics. But there are also Skeptical Believers, a particular kind of believer who lives with an Inner Atheist that is constantly raising objections. *The Skeptical Believer* is a book about making peace with your Inner Atheist, and about working out useful responses to questions that have no definitive answers. It steers a middle course between the modernist conviction that faith is agreement with a set of statements about God and the postmodernist assertion that religious faith is just one story among many, no more or less true than any other. *The Skeptical Believer* proposes that one can live a rich and meaningful life of faith without proof (and despite the weaknesses of the church) by seeing oneself as a character within an ancient story. As believers, skeptical or otherwise, always have.
