An invaluable resource on English furniture, interiors, and household objects, drawn from antique pattern books, swatch books, and manufacturers' and retailers' catalogues.

Drawing upon an impressive array of sources, *English Style and Decoration* offers a cornucopia of design riches. Alongside the work of famous and familiar taste-makers such as Chippendale and Wedgwood, this sumptuous, profusely illustrated reference book also contains hundreds of original designs developed in workshops and factories throughout England. Lavishly illustrated, it presents original sketches and printed patterns for furniture, textiles, flooring, wallpaper, glass, ceramics, and household utensils, from doorknobs to tableware to light fittings.

This unrivaled resource, now republished in a compact format, will provide a wealth of ideas and inspiration for designers, restorers, and interior decorators. 600+ designs and patterns in color and black-and-white. Previously titled *The English Archive of Design and Decoration* in hardcover.
