## **FaithQuest: A Journey Toward Congregational Transformation** Dan R Dick Jr.

FaithQuest helps congregational leaders transform their local churches. Founded on a single important shift--a movement away from preserving the church as an institution to re-creating the church as a faithful community centered in Jesus Christ--this 17-week study introduces concepts that help participants think about Christ, the church, the world, and our Christian life. It challenges Christians to explore the ways they lead and live. FaithQuest uses Scripture and the teachings of John Wesley. Designed for local church leaders and led by a team of local laity and clergy. FaithQuest requires 15-30 minutes daily for prayer, Scripture reading reflection, and journaling. The FaithQuest group meets each week for 2 1/2 hours. While the benefits to individuals will vary, the greatest benefit is the work of the Faith-Quest group, watching a vision for the congregation emerge and building team identity.
