*This ex-ICE agent has one last chance with the one who got away -- if he can protect her long enough...*

Black-ops agent Alicia Troy spent years plotting the perfect revenge on the man who left her for dead...until her plan is foiled by her ex-teammate--and ex-lover--who taught her the meaning of betrayal. She can't trust John Witter...so why can't she stop wanting him?

For John, it's a race to get to Alicia's intended victim before she does because he's the only one who can prove John's innocence, but the race turns into a battle of wits against the woman who believes he deceived her. But when their former agency turns on them both, labeling them "armed and dangerous," John has a new mission: keep his woman alive.
