LIQUID is a DVD-based experience featuring five 10-minute episodes in each series, as well as a 112-page Reflection Guide with questions and leader's tips. Each episode introduces present-day characters whose problems and struggles mirror biblical stories, illustrating that God's Word is as true today as it was when it was written. With emotionally provoking videos, introspective questions and tips for leading a small group, **LIQUID** is the perfect experience for individual growth or small group study.

These participant's guides are companions to the DVDs and are now available individually.
