Monte Cassino: The Hardest-Fought Battle of World War II Matthew Parker

Monte Cassino is the true story of one of the bitterest and bloodiest of the Allied struggles against the Nazi army. Long neglected by historians, the horrific conflict saw over 350,000 casualties, while the worst winter in Italian memory and official incompetence and backbiting only worsened the carnage and turmoil.

Combining groundbreaking research in military archives with interviews with four hundred survivors from both sides, as well as soldier diaries and letters, **Monte Cassino** is both profoundly evocative and historically definitive. Clearly and precisely, Matthew Parker brilliantly reconstructs Europe's largest land battle—which saw the destruction of the ancient monastery of Monte Cassino—and dramatically conveys the heroism and misery of the human face of war.

From the Trade Paperback edition.

From reader reviews:

Cheryl Thornton:

Precisely why? Because this Monte Cassino: The Hardest-Fought Battle of World War II is an unordinary book that the inside of the e-book waiting for you to snap it but latter it will zap you with the secret it inside. Reading this book close to it was fantastic author who all write the book in such incredible way makes the content within easier to understand, entertaining approach but still convey the meaning totally. So , it is good for you for not hesitating having this nowadays or you going to regret it. This book will give you a lot of rewards than the other book possess such as help improving your ability and your critical thinking way. So , still want to postpone having that book? If I had been you I will go to the publication store hurriedly.

Beth Kelly:

As we know that book is significant thing to add our know-how for everything. By a reserve we can know everything we wish. A book is a set of written, printed, illustrated or perhaps blank sheet.
