Scent of Rain Annetta P. Lee

Since her husband's tragic death in a sabotaged undercover operation over a year ago, Jentry Dunlap has struggled to maintain a normal life for her four-year-old son. When her late husband is accused of taking evidence totaling 1.3 million dollars, she sets out to clear his name and avert her son's potential disillusionment. As the notorious drug cartel responsible for her husband's death targets Jentry and her son, her faith flounders and her trust in people vanishes.

FBI Special Agent Graham Jackson is called to protect the downed cop's family. Certain that God, rather than his superiors, has placed him on this assignment, Graham is eager to face with Jentry the challenges of mayhem, treachery and the horror of being ruthlessly pursued. Beautiful, vulnerable, yet strangely secretive, Jentry is an enigma to him. He soon learns that she's not only hiding from her late husband's killers, but also from her past.

From reader reviews:

Mary Ehlers:

What do you in relation to book? It is not important together with you? Or just adding material when you really need something to explain what yours problem? How about your spare time? Or are you busy particular person? If you don't have spare time to perform others business, it is gives you the sense of being bored faster. And you have spare time? What did you do? All people has many questions above. They must answer that question because just their can do this. It said that about publication. Book is familiar in each person. Yes, it is appropriate. Because start from on pre-school until university need this specific Scent of Rain to read.

Joshua West:

Information is provisions for individuals to get better life, information these days can get by anyone at everywhere. The information can be a information or any news even a concern. What people must be consider whenever those information which is inside the former life are difficult to be find than now could be taking seriously which one is suitable to believe or which one often the resource are convinced. If you get the unstable resource then you have it as your main information there will be huge disadvantage for you. All those possibilities will not happen inside you if you take Scent of Rain as your daily resource information.

Ronald Walker:

The publication untitled Scent of Rain is the e-book that recommended to you you just read. You can see the quality of the book content that will be shown to a person. The language that writer use to explained their way of doing something is easily to understand. The copy writer was did a lot of analysis when write the book, and so the information that they share to your account is absolutely accurate. You also might get the e-book of Scent of Rain from the publisher to make you far more enjoy free time.

Violet Jarrell:

Playing with family in the park, coming to see the coastal world or hanging out with pals is thing that usually you will have done when you have spare time, and then why you don't try thing that really opposite from that. One particular activity that make you not experience tired but still relaxing, trilling like on roller coaster you are ride on and with addition details. Even you love Scent of Rain, you are able to enjoy both. It is fine combination right, you still need to miss it? What kind of hang-out type is it? Oh occur its mind hangout guys. What? Still don't have it, oh come on its identified as reading friends.
