Too Big to Fail: The Inside Story of How Wall Street and Washington Fought to Save the Financial System--and Themselves Andrew Ross Sorkin

A brilliantly reported true-life thriller that goes behind the scenes of the financial crisis on Wall Street and in Washington.

In one of the most gripping financial narratives in decades, Andrew Ross Sorkin—a *New York Times* columnist and one of the country's most respected financial reporters—delivers the first definitive blow-by-blow account of the epochal economic crisis that brought the world to the brink. Through unprecedented access to the players involved, he re-creates all the drama and turmoil of these turbulent days, revealing never-before-disclosed details and recounting how, motivated as often by ego and greed as by fear and self-preservation, the most powerful men and women in finance and politics decided the fate of the world's economy.
