What would happen if God were to bring ten new believers into the Church in a single day? Would we be able to disciple them? What if it were a hundred people in a week? Do you think it's possible to receive a thousand new believers a month? If a million people were saved, would the Church be ready to disciple them? The Lord wants us to prepare workers for the harvest - people with a simple message of love and service, who can pass that message on. If we want to see many, many people come to Christ, then we will need to find a way for them to be discipled and to become disciplers. This book from the Japanese house church provides one way for any Christian to become a discipler: it gives simple, practical ways to live out the Gospel, to explain the Gospel, and to pass the baton of discipleship on to others.
