**Fallen Founder: The Life of Aaron Burr** Nancy Isenberg

**A controversial challenge to the works of Ron Chernow and David McCullough**

Lin-Manuel Miranda's play "Hamilton" has reignited interest in the founding fathers; and it features Aaron Burr among its vibrant cast of characters. With *Fallen Founder*, Nancy Isenberg plumbs rare and obscure sources to shed new light on everyone's favorite founding villain. The Aaron Burr whom we meet through Isenberg's eye-opening biography is a feminist, an Enlightenment figure on par with Jefferson, a patriot, and—most importantly—a man with powerful enemies in an age of vitriolic political fighting. Revealing the gritty reality of eighteenth-century America, *Fallen Founder* is the authoritative restoration of a figure who ran afoul of history and a much-needed antidote to the hagiography of the revolutionary era.

*From the Trade Paperback edition.*
