Periodic Table (Advanced): (Speedy Study Guides) Speedy Publishing

An advanced periodic table of elements displays not only the elements, but the ions that form each element. A pamphlet with such a visual aid would greatly benefit chemistry students. Any student taking chemistry will need to learn the elements. A pamphlet would be concise and break the information down simply, making it easier to understand and remember. It allows students to simply focus on the main point, rather than taking in information that they may or may not need.
