14 Stories Stephen Dixon

Stephen Dixon's stories and novels have an original, immediately recognizable sound and feel --a weird blend of Franz Kafka and Frank Capra. Readers of his previous work will find in 14 Stories that same wry, inventive, knife-edged humor that has come to characterize his distinctive style. With an adroit use of language and a keen eye for the quirky, offbeat side of human nature, Dixon creates a world as viewed through a fish-eye lens--slightly distorted and off-center, yet recognizable and often familiar.
