Okanangan Odyssey: Journeys through Terrain, Terroir and Culture Don Gayton

Okanagan Odyssey is a quirky and lyrical examination of British Columbia's Okanagan Valley. Sticking to the backroads and byways, Gayton gently pokes and prods local ecosystems, histories, vineyards and people. From Osoyoos in the south to Armstrong at the head of the Valley, the author revels in the biological and social diversity while sampling local wines and fruit along the way. In his unique version of wine pairing, Gayton matches up local books and landscapes with local vintages, giving terroir a whole new meaning. An ecologist by profession, Gayton deftly negotiates the tension between the Okanagan that is home to many endangered species and ecosystems, and the same Okanagan that is a mecca for developers and urban refugees. *Okanagan Odyssey* is not a travel guide, but represents travel writing at its idiosyncratic best.
