Old Man Fookwire's one pleasure in life is painting the birds in his backyard. When fall arrives and the birds fly south, Fookwire is desolate. The squirrels are curious: Where are the birds going, and what do they do once they get there? With their usual ingenuity and engineering skills, the squirrels devise a way to follow the birds to their destination, a tropical paradise. A wonderful time is had by all - all but grumpy Old Man Fookwire, alone at home. But the squirrels have a solution for that, too.
