Waiting Wives: The Story of Schilling Manor, Home Front to the Vi Donna Moreau

In 1964, as the first B-52s took flight in what would become America's longest combat mission, an old Air Force base on the plains of Kansas became Schilling Manor -- the only base ever to be set aside for the wives and children of soldiers assigned to Vietnam. Author Donna Moreau was the daughter of one such waiting wife, and here she writes of growing up at a time when *The Flintstones* were interrupted with news of firefights, fraggings, and protests, when the evening news announced death tolls along with the weather forecasts. The women and children of Schilling Manor fought on the emotional front of the war. It was not a front composed of battle plans and bullets. Their enemies were fear, loneliness, lack of information, and the slow tick of time.

Waiting Wives: The Story of Schilling Manor, Home Front to the Vietnam War tells the story of the last generation of hat-and-glove military wives called upon by their country to pack without question, to follow without comment, and to wait quietly with a smile. A heartfelt book that focuses on this other, hidden side of war, *Waiting Wives* is a narrative investigation of an extraordinary group of women. A compelling memoir and domestic drama, *Waiting Wives* is also the story of a country in the midst of change, of a country at war with a war.
