## **Interregional Recognition and Enforcement of Civil and Commercial Judgments: Lessons for China from US and EU Law (Studies in Private International Law) Jie Huang**

Judgment recognition and enforcement (JRE) between the US states, between EU Member States, and between mainland China, Hong Kong and Macao, are all forms of 'interregional JRE'. This extensive comparative study of the three most important JRE regimes focuses on what lessons China can draw from the US and the EU in developing a multilateral JRE arrangement for mainland China, Hong Kong and Macao. Mainland China, Hong Kong and Macao share economic, geographical, cultural, and historical proximity to one another. The policy of 'One Country, Two Systems' also provides a quasi-constitutional regime for the three regions. However, there is no multilateral JRE scheme among them, as there is in the US and the EU; and it is harder to recognise and enforce sister-region judgments in China than in the US and the EU. The book analyses the status quo of JRE in China and explores its insufficiencies; it proposes a multilateral JRE arrangement for Chinese regions to alleviate current JRE difficulties; and it also provides solutions for the macro and micro challenges of establishing a multilateral arrangement, drawing upon the rich literature on JRE regimes found in the US and the EU.

### **ENDORSEMENTS**

'Professor Huang has completed a highly readable and comprehensive study of the issues governing recognition and enforcement of judgments among the three distinct legal regimes of the People's Republic of China? Her ideas will surely enrich the Chinese debate as well as provide interesting scholarly material for non-Chinese seeking greater understanding of legal reform in the PRC'.

Peter D Trooboff, Senior Counsel, Covington & Burling LLP, Washington DC, USA

'The book shows meticulous, analytical and comparative scholarship. Dr Huang's proposal of a multilateral arrangement makes an original and valuable contribution to the study of interregional judgment recognition and enforcement among Mainland China, Hong Kong, and Macao'.

Renshan Liu, Professor and Dean, Law School of Zhongnan University of Economics and Law, China

'Dr Huang's timely work provides an insightful analysis of one of the more vexed aspects of the inter-regional legal relations in Greater China. Her careful investigation makes a valuable contribution to the academic and practical work on the recognition and enforcement of judgments between China and her two special administrative regions. The comparative approach she adopts represents the true utility of comparativism for legal scholarship'.

Bing Ling, Professor of Chinese Law, Sydney Law School, Australia
