Knight: My Story

Bob Knight, Bob Hammel

Knight: My Story Bob Knight, Bob Hammel

Few people in sports have had more books written about them. This is the first by Bob Knight---one of the most literate, candid, quoted, and outspoken men in American public life telling in this first-person account of his full, rich life. Much of that life has been in basketball, most of it because of basketball, but it also has brought him forward as a coach, who has proved academic responsibility and production of championship college athletic teams not only can coexist but should. His excitement as things start anew for him at Texas Tech is matched here by his characteristic frankness and remarkable recollection of a life he clearly has enjoyed.

His Indiana teams also won NCAA titles in 1980--81 and 1986--87. The 1975--76 Indiana team was the last unbeaten team in college men's basketball. Knight's career includes six seasons as head coach at Army, where his teams won 102 games and lost 50. He is the only coach whose teams won championships in the NCAA tournament, the National Invitation Tournament, the Olympic Games, and the Pan American Games. During all that he has been at the heart of more controversies while running a winning and squeaky-clean program than any coach of any sport anytime or anywhere.

His excitement as things start anew for him is matched here by his candor and remarkable recollection of a life he clearly has enjoyed. You'll see why, with story after story---some delightful, some hilarious, some poignant, none of them dull: the story of Bob Knight's life.

From reader reviews:

Willie Grajeda:

As people who live in often the modest era should be up-date about what going on or details even knowledge to make all of them keep up with the era which is always change and move forward. Some of you maybe can update themselves by reading through books. It is a good choice for yourself but the problems coming to a person is you don't know which one you should start with. This Knight: My Story is our recommendation so you keep up with the world. Why, since this book serves what you want and want in this era.

Chris Holmes:

Reading a guide can be one of a lot of task that everyone in the world really likes. Do you like reading book consequently. There are a lot of reasons why people like it. First reading a e-book will give you a lot of new details. When you read a publication you will get new information because book is one of various ways to share the information or maybe their idea. Second, studying a book will make anyone more imaginative. When you looking at a book especially tale fantasy book the author will bring you to definitely imagine the story how the characters do it anything. Third, you can share your knowledge to other individuals. When you read this Knight: My Story, you could tells your family, friends and also soon about yours reserve. Your knowledge can inspire the others, make them reading a reserve.

Dwight Richardson:

Beside this Knight: My Story in your phone, it could possibly give you a way to get more close to the new knowledge or data. The information and the knowledge you might got here is fresh from your oven so don't possibly be worry if you feel like an previous people live in narrow small town. It is good thing to have Knight: My Story because this book offers to your account readable information. Do you occasionally have book but you do not get what it's interesting features of. Oh come on, that wil happen if you have this within your hand. The Enjoyable arrangement here cannot be questionable, including treasuring beautiful island. Techniques you still want to miss the idea? Find this book and also read it from today!

William Henderson:

As a college student exactly feel bored to reading. If their teacher questioned them to go to the library or to make summary for some publication, they are complained. Just little students that has reading's internal or real their interest. They just do what the teacher want, like asked to go to the library. They go to right now there but nothing reading critically. Any students feel that reading through is not important, boring and also can't see colorful pics on there. Yeah, it is to be complicated. Book is very important in your case. As we know that on this period, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. Therefore , this Knight: My Story can make you experience more interested to read.
