J. M. Machado de Assis

Las academias de Siam y otros cuentos (Biblioteca Universitaria De Bolsillo) (Spanish Edition) J. M. Machado de Assis

Los cuentos de esta antología sorprenden por diversas razones: unos por su final inesperado; otros por las reflexiones del narrador en torno al oficio de escribir; otros por la fantasía que despliegan; la mayoría, por su humor, y todos, por su actualidad. Se trata de una muestra variada de los diferentes recursos que Machado de Assis (1839-1908) utilizó en distintas etapas de su vida creativa. La ironía y el juego con el lector son las constantes; los seis cuentos que componen este volumen son una invitación al goce, a la imaginación y a la reflexión.
