Miss Fortune (Frankly, Frannie) AJ Stern

Frannie's parents throw a party for Frannie with a fortune teller and Frannie finds her next new job: fortune teller, obviously! Frannie begins making up the fortunes of her friends at school and realizes that there is a difference between seeing the future and simply telling people what to do. After Frannie's customers start taking their fortunes *too* seriously by refusing to shower, do their chores, and even go to school, Frannie discovers that being psychic wasn't her hidden talent after all. And that is not an opinion!
