## **Practical Jean** Trevor Cole

Jean wouldn't be able to stand it if something unfortunate were to befall her friends—that's why she decides to kill them herself, before anything else can harm them. *Bad Marie* meets *Arsenic and Old Lace* in this darkly humorous story of a woman whose overpowering love for her friends moves her to murder each and every one of them. *Practical Jean*, the U.S. debut of acclaimed Canadian author Trevor Cole, is a "biting and black comedy of middle-class mores gone murderously wrong" that "combines diamond-cut social satire with thoughtful contemplations of friendship" (*Globe and Mail*). A deliciously dark satire with roots that spread from Jonathan Swift's *A Modest Proposal* to Tim Burton's *Edward Scissorhands*, Cole's *Practical Jean* is a razor's edge dissection of relationships, faithfulness, and homicide. After all, what are friends for?
