Roses & Thorns Bret Michaels

After more than twenty years in the music business Bret Michaels has sold twenty-five million records and scored an amazing fifteen chartbusting Top 40 singles including the timeless #1 smash hit “Every Rose Has Its Thorn.”?? Today, this award-winning, multi-platinum superstar’s career continues to move at lightning speed following VH1’s hit reality dating show *Rock of Love with Bret Michaels* —which aired for three seasons and featured a bevy of ladies competing for an all-access pass to Bret Michaels’s heart and to share in his superstar lifestyle. .

Bret Michaels is, if nothing else, a true survivor. He has survived a lifelong battle as an insulin-dependent diabetic, a well-publicized near-fatal car crash in 1994, and the countless musical trends and fads of the last two decades. ???Now, Michaels continues his rebirth through this provocative chronicle of his life, in the tradition of Motley Crüe’s *The Dirt* . .

Roses & Thorns reveals everything about Bret’s rockstardom, from the Pennsylvania creation of “the ultimate garage band,” to MTV’s banning of their explicit videos and their 2007 sold-out summer tour. ??Because he’s diabetic, Bret never participated in the drug- and booze-fueled partying like the others, but he was at the center of this movement of over-indulgence and has plenty of stories to tell. ??Also, Bret dishes on his short but notorious relationship with Pamela Anderson—which resulted in an infamous sex tape that circulated on the Internet and was released as a DVD in 2005. Readers will be captivated and entertained by *Roses & Thorns* , a fascinating account of one of the most enduring rock musicians of the past two decades. .

Flora Gordon:

As a pupil exactly feel bored in order to reading. If their teacher requested them to go to the library or to make summary for some book, they are complained. Just very little students that has reading's heart or real their interest. They just do what the educator want, like asked to go to the library. They go to at this time there but nothing reading seriously. Any students feel that studying is not important, boring and also can't see colorful photographs on there. Yeah, it is being complicated. Book is very important for you personally. As we know that on this era, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. Therefore this Roses & Thorns can make you really feel more interested to read.
