Sister of Fortune (Sisters of the Ark) Lindsay McKenna

Her orders were clear—recover the legendary, powerful crystal star totem from a dangerous criminal and return it to the Eastern Cherokee nation. And Chief Warrant Officer Vickey Mabrey would obey—even though it meant traveling through the treacherous jungles of Peru with a man she couldn't trust. She'd just have to watch her back and do things her way.

But the jungles held more than Vickey bargained for as their slippery opponent turned the tables time and again. To complete this mission the highly trained woman warrior would need more than skill. She'd need the elusive wisdom of the heart....

Sisters of the Ark—driven by a dream of legendary power, these Native American women have sworn to protect all that their people hold dear
