## **Swim Back to Me (Vintage Contemporaries)** Ann Packer

From Ann Packer, author of the *New York Times* best-selling novels *The Dive from Clausen's Pier* and *Songs Without Words*, a collection of burnished, emotionally searing stories, framed by two unforgettable linked narratives that express the transformation of a single family over the course of a lifetime.

A wife struggles to make sense of her husband's sudden disappearance. A mother mourns her teenage son through the music collection he left behind. A woman shepherds her estranged parents through her brother's wedding and reflects on the year her family collapsed. A young man comes to grips with the joy—and vulnerability—of fatherhood. And, in the masterly opening novella, two teenagers from very different families forge a sustaining friendship, only to discover the disruptive and unsettling power of sex.

Ann Packer is one of our most talented archivists of family life, with its hidden crevasses and unforeseeable perils, and in these stories she explores the moral predicaments that define our social and emotional lives, the frailty of ordinary grace, and the ways in which we are shattered and remade by loss. With *Swim Back to Me*, she delivers shimmering psychological precision, unfailing intelligence, and page-turning drama: her most enticing work yet.

*From the Hardcover edition.*
