## **2010 National Framing & Finish Carpentry Estimator** Dan Atcheson

Current labor and material prices for thousands of framing and finish carpentry items. Step-by-step instructions for estimating everything from the sill plate to the ridge board, including hundreds of helpful pictures, tables and illustrations.

Includes labor and material prices for installing practically all framing lumber, from girders to roof sheathing. Even includes hard-to-find demolition labor estimates. Lists costs and manhours for finish carpentry such as ceiling sheathing, interior trim, molding, paneling, cabinets, countertops, hardwood flooring, wood stairways, and more.

Also included is a CD-ROM with an electronic version of the book with National Estimator, a stand-alone Windows estimating program, plus an interactive multimedia video that shows how to use the disk to compile construction cost estimates. Revised annually.
