From presidents to royalty, war torn regions to stunning scenery, the camera of John Jochimsen has captured it all. Perhaps the last person left alive today who was with Princess Elizabeth the day she became Queen, John is one of the last remaining old school photojournalists. Eighty Years gone in a Flash traces the remarkable story in his own words, and with his own incredible pictures. From life at The News of the World to the jungles of Malaya, John provides an honest, witty and touching account of a colourful career spanning more than five decades.
