## **Confessioni di uno sconosciuto (Italian Edition)** Claudio Guarini

Ti accorgi di non aver mai avuto il "controllo" di nulla quando una situazione inevitabilmente critica invade le tue probabili ultime 24 ore di vita.

Quello che accade dentro gli umani è così ben celato che solo una situazione davvero critica porta allo scoperto tutte le falle di un ingranaggio chiamato MACCHINA BIOLOGICA.

Questo "libro" nasce con l'intento di poter esprimersi liberamente nei confronti di tutte le "paure", curiosità e dubbi su quella che è la natura umana.

Scendere così a fondo da poter riuscire a comprendere che in un punto remoto dell'anima umana esiste un centro capace di fare, vedere e comprendere cose che la "mente" ancora non può.

Ti alzi al mattino per andare incontro alla solita quotidianità ma il tempo volutamente mette le lancette fuori posto e il corso della giornata cambia irrimediabilmente, segnandoti per sempre. Incontri uno sconosciuto incappucciato e armato che tiene improvvisamente sotto scacco la tua vita. Sembra giocare con la tua mente fino al punto di portarti quasi ad impazzire, fino al punto di farti affrontare un inferno del tutto ignorato sino a quell'istante.

Nessuna alternativa. Fuggire o andare incontro alla verità anche a costo della morte?

Scherzo del destino, della mente, incubo o realtà?
