GameSalad Beginner's Guide Miguel DeQuadros

This book is a step-by-step, tutorial-driven guide to game development using GameSalad. You will learn through first-hand experience how a GameSalad developer goes from literally nothing to a finished game. Along the way there are illustrations to explain anything that could be difficult and to display screenshots of the games. In addition, every art and audio asset required by the tutorials is provided, so you can start building your game right away. If you are a game enthusiast, who is looking to build games with GameSalad quickly, then this book is for you. You need not know any programming. The book does not deal with GameSalad's installation and basic set up. The ideal reader would know how to install and set up GameSalad.
