The Happy Medium: My Psychic Life Colin Fry

As one of Britain's leading psychic mediums, Colin Fry has helped countless people find peace and inspiration during the darkest and most challenging times of their lives. But he too has faced enormous personal obstacles, from serious illness to deep financial troubles, from emotional heartbreak to professional turmoil. He explains how his great-grandmother and his grandmother also had the gift of communicating with the Other Side, but paid a tragic price for their abilities...how he himself suffered a stroke in his late 20s...how he nursed his adopted brother through terminal illness...how he struggled to 'come out', and suffered in a 22-year relationship...how financial problems could have ended his career, but taught him priceless lessons instead.

In this remarkable autobiography, Colin explains how he has overcome the greatest tests of his life - and the part the spirit world has played in helping him. In typically honest and entertaining style, he also shows how he has used the lessons he has learned to shine a positive light on other people's lives. Full of honesty, revelation, wisdom and humour, it's a book that will engage, entertain and move all who read it. It's the story Colin has waited his whole life to tell. It's the true story of the Happy Medium...
