The Sacred Mushroom Seeker: Essays for R. Gordon Wasson

The Sacred Mushroom Seeker: Essays for R. Gordon Wasson

A celebration of the life and pioneering work of the eminent mycologist and scholar R. Gordon Wasson.

A legendary figure in the field of ethnobotany, R. Gordon Wasson's trail-blazing work on hallucinogenic mushrooms with the Mexican curandera Maria Sabina in the 1950s brought increased scholarly attention to the importance of psychoactive plants in the spiritual life of indigenous peoples and had a profound influence well beyond the academic world. His accessible writings helped popularize these discoveries, forming the ground for the social revolution of the following decade. With the growing interest in the role of psychoactive plants in society today, the work of R. Gordon Wasson and the example set by the man himself, so well illustrated here, takes on increasing importance.

Why, because this book is usually more than just a book.

Michael Ogden:

Many people spending their period by playing outside using friends, fun activity using family or just watching TV the whole day. You can have new activity to enjoy your whole day by studying a book. Ugh, you think reading a book can definitely hard because you have to use the book everywhere? It all right you can have the e-book, taking everywhere you want in your Smart phone. Like The Sacred Mushroom Seeker: Essays for R. Gordon Wasson which is having the e-book version. So , try out this book? Let's notice.

Mamie Contreras:

As a university student exactly feel bored to reading. If their teacher questioned them to go to the library or make summary for some guide, they are complained. Just minor students that has reading's heart and soul or real their interest. They just do what the trainer want, like asked to the library. They go to right now there but nothing reading really. Any students feel that reading is not important, boring and also can't see colorful photographs on there. Yeah, it is being complicated. Book is very important to suit your needs. As we know that on this period, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. So , this The Sacred Mushroom Seeker: Essays for R. Gordon Wasson can make you really feel more interested to read.
