This special crossover ties together two of Zenescope's most popular series in Grimm Fairy Tales and 1001 Arabian Nights. Baba Yaga has long planned her revenge against the Dark One. Ever since he murdered her family when she was a child she has been consumed by her quest to destroy him. Now with Belinda at her side she has begun to gather the pieces to put her plan for vengeance in motion and the next piece lies not in our time but far in the past with one of the world's most famous adventurers...an adventurer that goes by the name of Sinbad. Unfortunately, Sinbad's crew has been transformed into zombies by a voodoo priestess who plans to reunite the captain with his crew to help her carry out a special quest...and she'll take him alive or dead.
