Uncertain Democracy: U.S. Foreign Policy and Georgia's Rose Revolution Lincoln A. Mitchell

In November of 2003, a stolen election in the former Soviet republic of Georgia led to protests and the eventual resignation of President Eduard Shevardnadze. Shevardnadze was replaced by a democratically elected government led by President Mikheil Saakashvili, who pledged to rebuild Georgia, orient it toward the West, and develop a European-style democracy. Known as the Rose Revolution, this early twenty-first-century democratic movement was only one of the so-called color revolutions (Orange in Ukraine, Tulip in Kyrgyzstan, and Cedar in Lebanon). What made democratic revolution in Georgia thrive when so many similar movements in the early part of the decade dissolved?

Lincoln A. Mitchell witnessed the Rose Revolution firsthand, even playing a role in its manifestation by working closely with key Georgian actors who brought about change. In *Uncertain Democracy*, Mitchell recounts the events that led to the overthrow of Shevardnadze and analyzes the factors that contributed to the staying power of the new regime. The book also explores the modest but indispensable role of the United States in contributing to the *Rose Revolution* and Georgia's failure to live up to its democratic promise.

Uncertain Democracy is the first scholarly examination of Georgia's recent political past. Drawing upon primary sources, secondary documents, and his own NGO experience, Mitchell presents a compelling case study of the effect of U.S. policy of promoting democracy abroad.

The Enjoyable set up here cannot be questionable, just like treasuring beautiful island. Techniques you still want to miss the idea? Find this book as well as read it from at this point!

Bryon Diaz:

As a college student exactly feel bored to help reading. If their teacher questioned them to go to the library as well as to make summary for some publication, they are complained. Just small students that has reading's spirit or real their interest. They just do what the trainer want, like asked to go to the library. They go to there but nothing reading seriously. Any students feel that reading is not important, boring in addition to can't see colorful pictures on there. Yeah, it is to become complicated. Book is very important in your case. As we know that on this time, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. Therefore this Uncertain Democracy: U.S. Foreign Policy and Georgia's Rose Revolution can make

you experience more interested to read.
