As co-owner and features editor of a popular magazine, Leah McDevitt loves exploring exotic locales while she tracks fashion and social trends across the globe. Yet despite her devotion to her fast-paced career, Leah is haunted by the memory of her cherished younger sister Melissa, who years ago disappeared without a trace. So when convicted serial killer Raymond Lambert contacts her, Leah is more than willing to pay him the long-standing reward for information leading to the recovery of Melissa's body.

But before Lambert can turn over all his information, he himself is killed. Devastated but determined to finally uncover the truth, Leah heads to the Maine woods to seek out Ethan Sanger, the author of a book about Lambert. A private investigator, Ethan had written the killer's story in exchange for yet another of Lambert's terrible secrets. Working together to discover the truth about Melissa's disappearance, Leah and Ethan come to realize that even amid the ashes of tragedy, love can bloom. But someone harboring secrets of his own is about to enter their lives...someone who knows more about Leah than he should...someone who won't be satisfied until his own deadly game is played out.
