## **Death Is Forever** Elizabeth Lowell

Somewhere in the Australian outback, on land left to her by a late relative she never met, American photographer Erin Windsor believes a diamond mine might be waiting with the promised yield of millions of dollars in raw gems. But the old man took its location with him to the grave. Erin's not the only one in the hunt, though she's easily the least ruthless...and most vulnerable. Blood will stain the trail to a precious, well-hidden secret, and she must turn to Cole Blackburn for help or face the killing night alone. A geologist and a walking mystery with ties to powerful forces that are now Erin's enemies, Cole is a dangerous man to trust, but she has no choice. Because life is too short to throw away your dreams, no matter how treacherous the pursuit of them might be.

And death is forever.
