**Eddie Fantastic** Chris Heimerdinger

Chris Heimerdinger, best-selling author of *Tennis Shoes Among the Nephites* and *Gadiantons and the Silver Sword* creates his most tantalizing tale to date.

Eddie Fanta is a fifteen-year-old boy entangled in tragic secrets which leave him questioning life, questioning justice, and questioning God. Louis Kosserinski is a savagely scarred and crippled old man who has remained in utter seclusion for the last forty years.

Mysterious circumstances bring these two characters face to face where Eddie discovers the old man's unprecedented genius for electronics and microcircuitry — a genius which has spawned a series of inventions which could change the universe forever! Although Eddie sees Louis' inventions as an opportunity to improve an imperfect world, he ends up wreaking havoc at every hair-raising turn. Join Eddie in his incredible journey through time and space, reality and spectacle, until at last he discovers an ultimate wisdom and understanding about our universe's Creator.
