## **Laramie** Charles King

Charles King was a United States soldier and a distinguished writer. King was the son of Civil War general Rufus King, grandson of Columbia University president Charles King, and great grandson of Rufus King, who was one the signers of the United States Constitution on September 17, 1787, in Philadelphia, Pennsylvania. He graduated from West Point in 1866 and served in the Army during the Indian Wars under George Crook. He was wounded in the arm and head during the Battle of Sunset Pass forcing his retirement from the regular army. During this time he became acquainted with Buffalo Bill Cody. King would later write scripts for several of Cody's silents films. He also served in the Wisconsin National Guard from 1882 until 1897, becoming Adjutant General in 1895. In the spring of 1885, General King (at that time Captain) was riding in the area of Delafield, Wisconsin after visiting the Cushing homestead on the Bark River (present day Cushing Park) and the parents of the three historic Cushing Brothers. Captain King came upon a man dressed in a bathrobe drilling young men with broomsticks. Watching this futile exercise by toy soldiers, General King began to chuckle. Reverend Sydney T. Smythe asked what was so funny, and the reply was, "I mean no disrespect, sir, but let me show you how it is done." He then proceeded to teach the young men the West Point Manual of Arms. The now Impressed Head Master of the St. Johns Military Academy (now the St. John's Northwestern Military Academy) inquired as to the gentlemen's name. Upon answering, Reverend Smythe shook hands and inquired on the spot of General King's availability.

### **From reader reviews:**

#### **Adria Jenkins:**

Book is to be different for every grade. Book for children till adult are different content. As we know that book is very important for us. The book Laramie has been making you to know about other knowledge and of course you can take more information. It is quite advantages for you. The guide Laramie is not only giving you more new information but also to get your friend when you really feel bored. You can spend your current spend time to read your guide. Try to make relationship with all the book Laramie. You never sense lose out for everything should you read some books.

#### **Amanda Dell:**

Here thing why that Laramie are different and trustworthy to be yours. First of all examining a book is good but it depends in the content of computer which is the content is as scrumptious as food or not. Laramie giving you information deeper as different ways, you can find any e-book out there but there is no guide that similar with Laramie. It gives you thrill examining journey, its open up your personal eyes about the thing this happened in the world which is perhaps can be happened around you. You can actually bring everywhere like in area, café, or even in your way home by train. If you are having difficulties in bringing the branded book maybe the form of Laramie in e-book can be your alternative.

#### **David Conover:**

Nowadays reading books be a little more than want or need but also get a life style. This reading habit give you lot of advantages. The huge benefits you got of course the knowledge the rest of the information inside the book which improve your knowledge and information. The information you get based on what kind of guide you read, if you want drive more knowledge just go with education and learning books but if you want sense happy read one with theme for entertaining such as comic or novel. Typically the Laramie is kind of book which is giving the reader erratic experience.

#### **Brenda Nunez:**

Is it you who having spare time after that spend it whole day by simply watching television programs or just resting on the bed? Do you need something new? This Laramie can be the reply, oh how comes? The new book you know. You are so out of date, spending your time by reading in this new era is common not a nerd activity. So what these books have than the others?
